

MAKE YOUR OWN RIO CHAMELEON!

Use this template, some art supplies and a clothes peg to create your own moving Rio chameleon.

- Colour in the chameleon and both sides of the tongue, in colours of your own choice.
- Cut out the chameleon and then cut along the dotted line (so the mouth opens with the peg).
- Attach the chameleon with adhesive to a clothes peg.
- Attach the tongue with adhesive to a clothes peg.

Have fun with your new Rio chameleon pet!

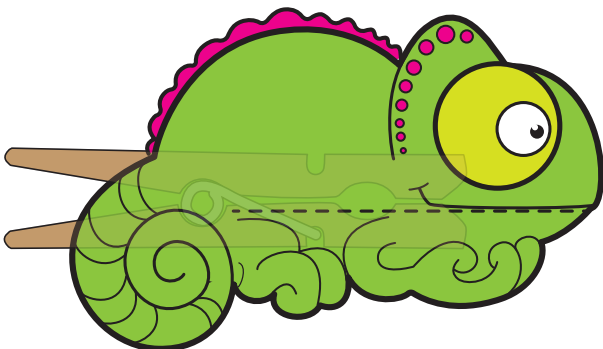

← Cut along the dotted lines.

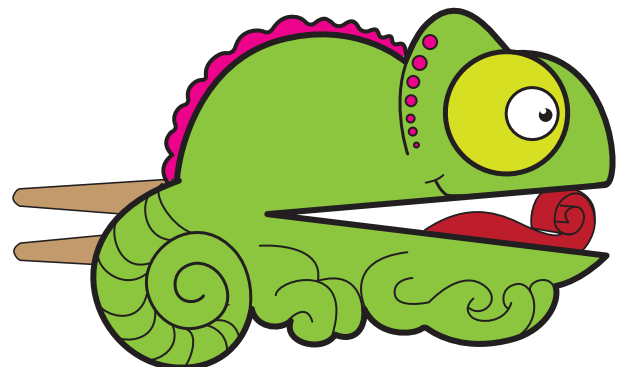

← **Tongue.**

Colour, cut out, then roll up the strip of paper.
